

A Year of Intentional. Memorable Days

Thank you so much for downloading this calendar! I hope it adds a bit of magic and meaning to your homeschool days and helps you create beautiful memories with your family.

This calendar includes a thoughtful mix of national holidays, whimsical themed days, and seasonal fun—perfect for planning themed lessons, creative activities, or spontaneous celebrations. While it doesn't cover every single holiday or silly day out there, it highlights the ones we're most likely to enjoy in our own schoolhouse.

This calendar is free to use for **personal or homeschool use**.

Please don't steal, resell, or redistribute it as your own.
